

# Kill Bill, Queen Of The Crime Council

As your leader  
I encourage you, from time to time  
And always in a respectful manner  
To question my logic  
If you are unconvinced a particular  
Plan I decided is the wisest tell me so  
But allow me to convince you  
And I promise you right here and now  
No subject will ever be taboo  
Except of course the subject  
That was just under discussion  
The price you pay  
For bringing up either my Chinese  
Or American heritage as a negative is  
I collect you fucking head  
Just like this fucker here  
Now if any of you sons of bitches  
Got anything else to say  
Now's the fuckin' time

I didn't think so
