

Kill Hannah, Hyperactive

before the sun went down
and before he knew what's going on
a kiss storm like a meteor shower
her lips got hyperactive
so hold her down
so hold her down
so hold her down
and hold her now
after the chandeliers went out
in the big grand hotel downtown
on her wrist like a beautiful flower
your lips are hyperactive
so hold on now
so hold on now
so hold on now
and hold her down
grab on tightly
with your legs and arms
'cos we are just the same
as all the other animals
we weren't put here just to wait
you know
so hold her now
