

Killah Priest, The Professional

[Chorus: Killah Priest]

In Hip Hop I'm a professional
No questions asked, better check my jewels
From '98 to 2G's, I rule
Killah Priest 'The Professional'

[Killah Priest]

I build lyrics like a monument, most dominant
I drop bombs with common sense
The omnipotent scientist, a perfectionist
A lyrical specialist, most affectionate
Most merciful towards a fool that thirst for jewels
You know the rules
My grace be sufficient
Holy as a baby christening
Pure as the River Goshen
Once the words are spoken heavens open
Blow the smoke off the graphics rubbed in tablet
Kissed the Earth I inhabit
Curse the bastards that been grafted
Through this madness
I rock velour and silk fabrics
I rest on the holy Sabbath
I have a warrant for all devils laying dormant
I arrive to cause torment
Dark heavens begins forming
Start brainstorming
Invite you in my office
My face begin a metamorphous
I go from gorgeous into a fucking tyrannosaurus
Scenery is now prehistoric
I'm kicking deadly rhymes with no chorus
Lyrics hovers like flying saucers
Niggas turn into alcoholics, staring up into orbit
Showing all teeth like a walrus
Began running through the forest
Lyrics coming with deadly forces

[Chorus 2X]

[Killah Priest]

The greatest lyricist known to man or mankind
Stage holds a landmine, come and kneel before the shrine
Drop a freestyle 'til I'm old and senile
Killings have a brother in the P' now
I'm a murderer to a lyrical burglar
I hit them in the jugular
I snuff you, handcuff you, then I smother you
I battle rappers by the billions
I battle old folks and small children
Foreigners and civilians, I take on states and countries
I stay hungry, a predator,
I bring it to you on the regular
I give you static like a cellular with dead batteries
Fuck up your head like a cavity

[Chorus 2X]

[Killah Priest]

Killah Priest 'The Professional'
Killah Priest 'The Professional' (Y'all better learn)
Killah Priest 'The Professional' (King Masada)
Killah Priest 'The Professional' (Maccabeez)
Killah Priest 'The Professional'

Killah Priest 'The Professional'

[movie sample]

I have spent my life in seeking knowledge

And this is all I know

I have written this for you my son

Wherever you are

And for your children

And your children's children

It's a poor legacy but it's all I have
