

# Killing Heidi, Ammyl

You try to be  
Try to feel  
Try to let go  
Try to be real, it was good  
Yeah I had fun  
For a little while there  
Thought you were the one...

Say what you wanna say, what you wanna say, say what you wanna say, what you wanna say to me  
Can I come around  
Say what you wanna say, what you wanna say, say what you wanna say,  
say it to me (say what you wanna say)  
Can I come around

You try to be  
Try to feel  
Try to let go  
Try to be real, and it was good  
Yeah I had fun  
For a little while there  
Thought you were the one

Say what you wanna say, what you wanna say, say what you wanna say, what you wanna say to me  
Can I come around  
Say what you wanna say, what you wanna say, say what you wanna say,  
say it to me (say what you wanna say)  
Can I come around, can I come around , can I come around, can I come around, can I come around

Hold me tight through the after-glow  
Is right through the after for me  
Hold me tight through the after glow,  
Is right through the after for me  
For me, for me, for me...

Why don't you say what you mean  
Say what you mean  
Why don't you say what you mean  
Say what you mean  
Why don't you say what you mean  
Just, say what you mean  
Why don't you say what you mean  
1234...

Say what you wanna say, what you wanna say, say what you wanna say, what you wanna say to me  
Can I come around  
Say what you wanna say, what you wanna say, say what you wanna say,  
say it to me

Can I come, can I come around, can I come around,  
can I come around...
