

# Killing Heidi, Weir

Old friend of mine we will never lose the time  
that we've shared all these years, these years.

Old friend of mine we will never lose the time  
that we've shared all these years, these years.

Will - you?  
Will - you?

Will you make it in the end, through all the twists  
and bends?  
Will you fulfil your dreams - not as  
easy as it seems.

Lover, friend of mine we will never lose the time that  
we've covered in our tears, in our tears.

Lover, friend of mine we will never lose the time  
that we've covered in our tears, in our tears.

Will - you?

Will you make it in the end, through all the twists  
and bends.  
Will you fulfil your dreams - not as  
easy as it seems.

eeahhi eeahi eah eah eeahhi eeahhi  
eeahhi eeahi eah eah eeahhi eeahhi  
eeahhi eeahi eah eah eeahhi eeahhi

Floating in the weir and you think you'll never sink  
so you forget all your fears your fears.  
Floating in the weir and you think you'd never sink so you  
forget all your fears your fears

Will - you?  
Will - you?

Will you make it in the end, through all the twists  
and bends. Will you fulfil your dreams - not as  
easy as it seems.
