

Killing Joke, Asteroid

And the 3rd Angel sounded
And a star fell from heaven
Burning as it were a lamp
And it fell upon the 3rd part of the waters

Asteroid

I'm a ball of fire
Fire from heaven
Terror from nowhere
You'll never shoot me down
Days turns to minutes
5 seconds till it hits us
3 seconds to ground
1 second to .

Asteroid
Coming in from the void

On the bed of the ocean
Where history lies
Strange civilisations
Vapourised
Days turns to minutes
5 seconds till it hits us
3 seconds to ground
1 second to .

Asteroid

I.N.R.I
Nature renewed by fire made whole

And I climb to the mountain
Light to dark
Behind time and space
A hole in your Ark
Days turns to minutes
5 seconds till it hits us
3 seconds to ground
1 second to .
