

# Kills, Rodeo Town

If I'm so evil  
Then why are you satisfied  
If I'm so evil  
Why are you satisfied?  
I had a dream about your ghost  
You're breathing down my neck  
Baby it starts in the shower  
By letting your ashes down the drain

You were telling me how  
This ain't no Rodeo Town  
I caught the gun  
But you made me set it down  
You were telling me how  
This ain't no Rodeo Town  
I caught the gun  
But you made me set it down

If I'm so evil  
Then why are you all satisfied?  
If I'm so evil  
Why are you satisfied?

When you left you said  
I'm gonna keep an eye on you  
Well I don't mind if you do  
But you can't keep quiet

You were telling me how  
This ain't no Rodeo Town  
I caught the gun  
But you made me set it down  
You were telling me how  
This ain't no Rodeo Town  
I caught the gun  
But you made me set it down

You were telling me how  
This ain't no Rodeo Town  
I caught the gun  
But you made me set it down  
You were telling me how  
This ain't no Rodeo Town  
I caught the gun  
But you made me set it down
