

Killswitch Engage, Bid Farewell

I will bid farewell, sever the ties, is this all i am, is this all thats left
turn from deceit, the love of self is death, deliverance is given to you
i will bid farewell, sever the ties
now you're heart beats black with deception, you have been forsaken
leave behind (i will) all reminders of you
i will bid farewell to all lies, i will bid farewell, sever the ties
searching, always searching, hoping for a change, i will never be satisfied, i will never be
i will never be satisfied, i will now bid farewell
i will bid farewell to all lies, i will bid farewell, sever the ties
