

Killswitch Engage, Rose Of Sharyn

Numb and broken, here I stand alone
Wondering what were the last words I said to you
Hoping, praying that I'll find a way to turn back time
Can I turn back time?

What would I give to behold
The smile, the face of love?
You never left me
The rising sun will always speak your name

Numb and broken, here I stand alone
Wondering what were the last words I said to you
It won't be long, we'll meet again

What would I give to behold
The smile, the face of love?
You never left me
The rising sun will always speak your name

It won't be long, we'll meet again
Your memory is never passing
It won't be long, we'll meet again
My love for you is everlasting

I mourn for those who never knew you

It won't be long, we'll meet again
Your memory is never passing
It won't be long, we'll meet again
My love for you is everlasting
