

# Killswitch Engage, This fire burns

YeAAAAaaauh

Yeah

All I've ever wanted was destiny to be fulfilled

It is in my hands, I must not fail, I must not fail

Even through the darkest days

This fire burns always

This fire burns always

This is the broken ground

Misery begins to rise

Turn away from yesterday

Tomorrow's in my eyes (Oh!)

Nevermore to be held down

By the waves against me

Nevermore to be cast aside

This day is mine

Even through the darkest days

This fire burns always

This fire burns always

I will not be denied in this final hour

I will not be denied, this day is mine

This passion inside me is burning is burning

This passion inside me is burning is burning

Even through the darkest days

This fire burns always (always)

This fire burns (fire burns) always

Always (always)
