

Killwhitneydead, If I Told You I Loved You Would

Some worship me like a god
Some think I'm just a low life sleaze
So I'm a god or maybe a sleaze
Either way you'll end up on your knees
Shut your mouth and don't flatter yourself
I don't give a fuck about what you really need
All I want is the sex
All I want is your sex
All I want is her sex
Where's my goddamn drink?
You've got a pretty mouth
So get down and stay down where you belong
On your knees
I don't want to have to hit you again
