

# Kilo Ali, Baby, Baby

well lemme love in the room and sit and stare at the wall  
brotha cant find no lovin ya'll  
im gonna find ya girl someway somehow  
i need you right now  
searched the world but couldn't find that feelin  
cuz your love is one in a million  
cuz i like the way you touch me  
and i like the way you fuck me  
and really make it worth my while  
i said "woof woof woof woof" doggie style  
cuz your on my mind, on my thoughts  
let me see your body talk  
i'm makin love on a whole nother level  
have you ever danced with the devil?  
when i'm around you i feel like this  
a kiss is just a kiss

(CHORUS)

baby baby  
ohhh work it on me  
baby baby  
i need your L-O-V-E  
baby baby  
baba baba  
baby baby  
and i want you to know that

some other niggas talk shit  
i wish them folks get up off the dick  
cuz they try me, and they push me  
i'm fuckin these niggas like pussy  
but a nigga ain't gay  
i said ooh ooh it's your birthday  
same hoe talkin bout i'm a busta  
yeah, i fucked her  
i rocked her world  
said she used to be, used to be my girl  
for just one night  
said that face was tiiight  
she said i think i'm stevie wonder  
well, i'd like to thank ya momma  
when i'm around you i feel like this  
a kiss is just a kiss

(CHORUS)

well you can blame it on the lover in me  
the heavyweight, cut up champion ALIII  
in the hood i'm a menace  
hold on, sit down, lemme talk, lemme finish  
i get that ass  
keep the camera rollin, im kinda fast  
get all the girls  
and i shock the world  
why did humpty dumpty have to fall  
cuz he was freakin off the wall  
it be like that  
when you be tryin to break that back  
i give my number to the ladies  
cuz i would love to love ya baby  
when i'm around you i feel like this  
a kiss is just a kiss

(CHORUS) x2
