

Kim Burrell, I'll Keep Holding On

CHORUS

I keep holding on
I'll keep holding on

Time is filled
With swift transition
Naught of earth unmoved
Can stand
build your hopes
On things eternal
Hold to God's
Unchanging hand

CHORUS 2

Just keep holding on
Just keep holding on

VERSE 2

Trust in him
Who will not leave you
Whatsoever years may bring
If by earthly friends

Forsaken
Still more closely
To him I cling

BRIDGE

Hold to his hand
God's unchanging hand
Hold hold hold on
(REPEAT 4X's)

VAMP

Hold Hold Hold hold
Get a real good grip
Get a real good grip
Get a real good grip
Get a real good grip
No no no no No no no no
No no no no No no no no
Hold, get a real good grip,
No no no no
Hold to his hand
God's unchanging hand
Hold hold hold on
