

Kim Carnes, Dancin' At The Lighthouse

(Kim Carnes/Daniel Moore)

There's a place where we can go
It's just a little hard to find
Let it haunt you when you sleep
And shine shine shine

Find that door and step inside
The light will lead you in
Watch your step and watch you heart
Cause you'll be back again

And they're dancin' at the lighthouse
Cause the ships are sailing in
They'll be dancin' at the lighthouse
Until they sail back again

Sing you song soft and low
Raise it to the sky
You are in the twilight zone
So fly fly fly

And they're dancin' at the lighthouse
Cause the ships are sailing in
They'll be dancin' at the lighthouse
Until they sail back again

The wave of live
Is flowing constantly
The union of the soul
To set the spirit free

And they're dancin' at the lighthouse
Cause the ships are sailing in
They'll be dancin' at the lighthouse
Until they sail back again
