

Kim Carnes, I'll Be Here Where The Heart Is

(Kim Carnes/Dave Krampf/Duane Hitchings)

It's the song that just keeps playing on the radio
And you know I haven't seen you for a while
I lie awake at night
And I wonder how you are
And I wish that I could be you again

Is it luck or is it fate
That brings us back
Or is it just a common point of view
Time has put a spell on you
You never seem to change
And I wish that I could see you again

But I'll be here where the heart
When the dreams that we've been after
All come true
You will find me here where the heart is
I'll wait for you
I'll wait for you

It's the light that keeps shining day after day
When other loves have come and gone
I'll be here with open arms to take you in
And I wish that I could see you again

And in between
And when I need to see you again
All I have to do
Is close my eyes
Oh the picture's coming in my friend
I'll hold you again
But who knows when

But I'll be here where the heart
When the dreams that we've been after
All come true
You will find me here where the heart is
I'll wait for you
I'll wait for you
