

Kim Gordon, Murdered Out

Turn me on
Turn me on
Will you get, will you get,
Get lost
Turn me on

Murdered in my heart
Cover the black matte spray
Will you see black matte spray
black matte spray
I crawl
Don't try
You'd better not to care
Yeah, what you care?
Black matte spray
Will you get to the parking lot?
Murdered in my heart

Turn me on
Turn me on
Will you get, will you get,
Get lost
Turn me on
Get lost, darling

Your ... said:
Don't turn away
Pull the trigger
Hey, hey!
Black matte spray

...
Right to the top

...
Black matte spray
Will you get to the parking lot?

Turn me on
Turn me on
Will you get, will you get,
Get lost
Turn me on
Get lost, darling

Come and save my way
Murdered in my heart
Black matte spray
