

Kim Lucas, All I Really Want

All days...

All I really want is one more day
to make you change your mind and want to stay.
All you have to do is call my name
and I'll come back again.

All I really want is one more day
to make you change your mind and want to stay.
All you have to do is call my name
and I'll come back again.

All I really want is one more day
to make you change your mind and want to stay.
All you have to do is call my name
and I'll come back again.

All I really want is one more day
to make you change your mind and want to stay.
All you have to do is call my name
and I'll come back again.

And I'll come back again.

All days...

If I could have another day
to make you feel I am the one.
I'll show you love in many ways.
For your kiss I wait.

But now you push my love away.
Leave me cold both night and day.

All alone, what can I think?

I wait all day, I wait...

All I really want is one more day
to make you change your mind and want to stay.
All you have to do is call my name
and I'll come back again.

All I really want is one more day
to make you change your mind and want to stay.
All you have to do is call my name
and I'll come back again.

And I'll come back again.

All days...

I could call you on the phone.
Are you there? Are you home alone?
I have to hear your voice again.

For your kiss, I pray.

Boy comes back, you'll never see
just how much you mean to me.

I please stop playing with my heart.

I wait all day I wait...

All I really want is one more day
to make you change your mind and want to stay.
All you have to do is call my name
and I'll come back again.

All I really want is one more day
to make you change your mind and wanna stay.
All you have to do is call my name
and I'll come back again.

All I really want is one more day
to make you change your mind and want to stay.
All you have to do is call my name
and I'll come back again.

And I'll come back again.

All days...
