

Kim Lukas, I Want You To Know

Tu tu, tu tu tu tu tu tuu-hu
Tu tu, tu tu tu tu tu tuu-hu...

I want you to know that what I feel
When I'm with you is real it's true
When I think of you and me and all that
We can be it makes me smile
And I want you to know
My love for you still grows
Day by day

Tu tu, tu tu tu tu tu tuu-hu
Tu tu, tu tu tu tu tu tu

I want you to know that what I feel
When I'm with you is real it's true
Even when the day is long without you
I feel sure I can't go wrong
And I want you to know
My love for you still grows

You are my friend and my love
You are everything in life that I need
You are my friend and my love

You are everything in life that I need

I want you to know that what I feel
When I'm with you is real it's true
I want you to know that what I feel
When I'm with you is real it's true

When I'm with you is real it's true

When I'm with you is real it's true

And I want you to know
My love for you still grows
Day by day

I want you to know I care
And my love I will always share
I want you to know I care
And my love I will always share
