

Kim Mitchell, Called Off

calling out of London trying to save my life
heaven knows that i love her it's in my eyes
but she's calling this love off on account of a bruise
the loose talk and lies from her friends

'bout the women
'bout the bedrooms
'bout the booze

there are some things you can't tell to a woman
there are some things you can't do to a man
there are some things you can't tell to a woman
there are some things you just don't do to a man

you can lose most of your mind
being a player on the road
it feels so good when i get back home
but she's calling this love off on account of a bruise
cause of the loose talk and lies from her friends

there are some things you can't tell to a woman
there are some things you can't do to a man
there are some things you can't tell to a woman
there are some things you just don't do to a man
