Kim Mitchell, I Got A Line On You

Mmmm
Let me take you baby
Down to the riverbed
Got to tell you something
Right to your head

I got a line
I got a line on you baby
I got a line
I got a line on you baby

Come on
Put your arms around me
With every bit of your love
If you know what to do
I'll make love to you
You got the right things
To make it through this time

I got a line
I got a line on you baby
I got a line
I got a line on you baby
A line on you

I got a line
I got a line on you baby
I got a line
I got a line on you baby

Winter's almost gone
Summer she's comin' on strong
Can I love you love you love you
Love you all year long

I got a line
I got a line on you baby
I got a line
I got a line
I got a line on you baby
