

# Kim Mitchell, Lost Lovers Found

Let's go back to when all I had was you  
And all you wanted was me  
Let's go back to when all our love was true  
And all you wanted was  
To walk in the park  
To meet in the middle  
We were lost lovers found

Lost lovers found  
We were lost lovers found  
Lost lovers found  
We were lost lovers found

Let's go back and be a slow motion movie  
And see our love in frame after frame  
Let's go back to when I was your biggest fan  
And all you wanted was  
To walk in the park  
To meet in the middle  
We were lost lovers found

Lost lovers found  
We were lost lovers found  
You were my calendar girl and I was your cinema hero  
Lost lovers found  
We were lost lovers found  
You with those Betty Boop curls, yeah those Betty Boop curls

We were lost lovers found  
We were lost lovers found  
We were lost lovers found  
We were lost lovers found

We were lost lovers found  
Lost lovers found  
We were lost lovers found  
Lost lovers found  
We were lost lovers found  
You were my calendar girl and I was your cinema hero  
We were lost lovers found  
And you with those Betty Boop curls  
We were lost lovers found
