

# Kim Mitchell, O Mercy Louise

Louise  
I'm forever losing you  
I even wave at you in my dreams  
Losing you is a bad, bad dream

O mercy Louise  
O mercy Louise  
My life is flashing before us  
Can we survive a little rain  
Falling in our hearts  
I'll do anything to save us

The sunshine's on  
Don't be troubled by stormy clouds  
Hold me close 'til they clear  
And any woman  
Any woman who could hold me so  
Oh, it's gonna be a long night  
If we get hot it could be a long life  
I'll do anything to save us

O mercy Louise  
O mercy Louise  
My life is flashing before us  
Can we survive a little rain  
Falling in our hearts  
I'll do anything to save us

I'm losing you and the argument  
How can you be so nonchalant  
Losing you is a bad, bad dream  
Tell me, am I in or am I out, Louise

Walkin' beside you makes me tall, Louise  
Talkin' with you makes me stutter baby  
I'm yellin' at you and I'm turnin' blue, Louise  
How can you be so nonchalant at a time like this in my life

O mercy Louise  
O mercy Louise  
My life is flashing before us  
Can we survive a little rain  
Falling in our hearts  
I'll do anything to save us  
My life is flashing before us  
And I'll do anything to save us  
Oh, Louise
