

# Kim Mitchell, Patio Lanterns

Our house had the biggest patio  
Our house had all the summer shade  
We had patio lanterns  
I'd spend half the night making lemonade  
Which we drank a lot  
'Cause we were all so shy  
Shy and nervous

Who was gonna be  
Who would be the first to dance  
Who was gonna be  
Who would be the first to kiss  
Under those patio lanterns

Those patio lanterns  
They were the stars in the sky  
Those patio lanterns  
Lighting up our lives  
Those patio lanterns  
They were the stars in the sky  
Those patio lanterns  
Lighting up our lives  
Oh, those patio lanterns

And I was stuck on Joy, that was her name  
We didn't talk much  
She was a nervous girl  
I was a nervous boy  
We stuck together like glue on glue  
Dancing to an old song  
Bobby Vinton's Blue on Blue  
Heartache on heartache

Who was gonna be  
Who would be the first to dance  
Who was gonna be  
Who would be the first to kiss  
Under those patio lanterns

Those patio lanterns  
They were the stars in the sky  
Those patio lanterns  
Lighting up our lives  
Those patio lanterns  
They were the stars in the sky  
Those patio lanterns  
Lighting up our lives  
Oh, those patio lanterns
