## Kim Mitchell, That's A Man

He's got ??? eyes like burning embers He's looking for relief, going faster double-blind His reputation is getting loud, yes Woah

That's a man Well, that's a man That's a man That's the best part of a man That's the best part of a man

You know he's having trouble saying yes to his woman on the telephone 'Cause he's got another woman waiting on the other line And he sits in public places getting loud, yes Woah

That's a man
Well, that's a man
That's a man
That's the best part of a man
That's the best part of a man

That's a man Yeah, that's the best part of a man That's a man That's the best part of a man That's the best That's the best part of a man
