

# Kim Mitchell, That's The Hold

(When I'm in love) To the Earth's end I go  
(When I'm in love) I want the Sun and the Moon before me  
(When I'm in love) You might say I want too much  
(When I'm in love) I want you and me beside you and me  
Baby, that's the hold

That's the hold you got on me  
Baby, that's the hold you got on me  
That's the hold you got on me  
Baby, that's the hold you got on me  
That's the hold you got on me  
Baby, that's the hold you got on me  
That's the hold you got on me

(When I'm in love) Straight for the soul I go  
(When I'm in love) My heart goes hot, my heart goes cold  
(When I'm in love) Yeah, I breathe nervous energy  
(When I'm in love) I want you and me beside you and me  
Baby, that's the hold

That's the hold you got on me  
Baby, that's the hold you got on me  
That's the hold you got on me  
Baby, that's the hold you got on me  
That's the hold you got on me  
Baby, that's the hold you got on me  
That's the hold you got on me  
Baby, that's the hold you got on me

I don't want us to die in a lovers' dream  
I don't want us to play in a final scene  
I don't want this to be a lovers' dream  
I'd rather freak out and make a scene

I don't want us to die in a lovers' dream  
I don't want us to play in a final scene  
I don't want this to be a lovers' dream  
I'd rather freak out and make a scene

That's the hold you got on me  
Baby, that's the hold you got on me  
That's the hold you got on me  
Baby, that's the hold you got on me  
That's the hold you got on me  
Baby, that's the hold you got  
That's the hold  
That's the hold  
That's the hold
