

Kim Petras, Love Ya Leave Ya

You make it so hard to love ya
You make it so hard to leave ya
You make it so hard to love ya
You make it so hard to leave ya

It's torture, it's pleasure, mm
You make it so, so hard to please ya

I don't wanna give ya to another,
I don't wanna come back but I know I'm gonna
I don't wanna cry again about ya
I don't wanna live a day with or without ya

You make it so hard to love ya
You make it so hard to leave ya
You make it so hard to love ya
You make it so hard to leave ya

Jesus, you're too much, oh
You make it so, so hard, baby

I don't wanna give ya to another,
I don't wanna come back but I know I'm gonna
I don't wanna cry again about ya
I don't wanna live a day with or without ya

You make it so hard to love ya
You make it so hard to leave ya
You make it so hard to love ya
You make it so hard to leave ya
