Yo listen up have a holla from ron
Naked mole rap is the name of this song
Here's a story, you know its glory and its hot
Bet you don't the truth is how ron met rufus
Never heard a cat whine,
Never heard a puppy purr.
My dad's allergic to every kind of fur.
So I searched for hairless pets
On the internet.
Saw a pet with a pink thing,
Gonna need some sun screen!
(AH!)

(Chorus)
What is that?
That freaky thing?
(yes thats right
Its a naked mole rat)
C'mon yall,
Let the girlies sing!
(Listen to the naked mole rap)

UH HUH
YEH,
UH!

What is that,
That freaky thing?
Yes thats right its a naked mole rat,
C'mon I can't hear the girlies sing
Listen to the naked mole rap

Nehnehnehnehnehnehnehnehnehneh,
Nehnehnehnehnuh....

I heard smarty Mart was havin' a sale,
On a hairless pink rodent,
With a long skinny tail.
I said this could be a solution
the perfect pet,
For my dads sacred constitution?
So,
The manager came,
To open the cage.
He said:
"You know this pet is hairless."
I said:
" I couldnt care less!"
Handed him to me,
Said:
"careful,
Dont drop it!
And do want this cage"
"No I'll keep 'im in ma pocket"
(YEAH, HEY!)
(YAY!)

(chorus)

What is that,
