

# Kim Possible, When You're Big

when you're big  
you can step on little people's toes  
la la  
munch on their lunch  
lunch  
and bop them in the nose  
oh yeah  
three horns and long necks and duck feet too  
duck feet too  
they all have to do anything you want them to  
you want them to  
and if they don't you can drop them in the goo  
don't you forget  
grrrrrrr!  
what you want to get  
Rrrrrrrrrrrrr!  
things are better when you're big  
tra la la la la la la ooo  
when you're big  
tra la la la la la oooo  
when you're big
