

Kim Putnoky, We Must Say Good-Bye

All things end
so my friends
we to shall be parting
moments shared
slowly drift into memories
but with time on our side
one day we'll be together
until than, we must say good-bye

thank you for the happiness
we've shared a long the way
may it be a constant friend
each hour everyday
may the songs we sang together
live within our minds
sweet memories of joy and love
untouched by age or time

all things end so my friends
we to shall be parting
moments shared
slowly drift
into memories
but with time on our side
one day we'll be together
until than we must say good bye

until than we must say good-bye
until than we must say good-bye
