

Kim Richey, You'll Never Know

I bought a new red dress to lift my spirits up
And just like you did honey it cost me way to much
Next time you see me I betcha take a second look
You'll wonder why I look so good

CHORUS:

You'll never know how much I miss you

You won't see it in my face

You'll never know I'll never find another

That can take your place

'Cause I'll be smiling when I see you

My tears won't ever show

Yeah I might always love you

But you'll never know

When I saw you out last night you seemed so surprised

That I could walk right by and not blink an eye

To look at me you probably think I'm doin' fine

Good thing you can't read my mind

(repeat chorus)

You'll never know...
