

Kim Sozzi, Feelin' Me

Are you feeling me like i'm feeling you right here right now

Are you feeling me like i'm feeling you right here right now everybody's uptight tonight

I don't care what i wear or what they say about us i just wanna dance i just wanna lose myself just

Are you feeling me like i'm feeling you right here right now

Are you feeling me like i'm feeling you right here right now

Everything a sensual ritual

I don't need to be anywhere but where i am i just want the passion i just wanna lose myself

I don't wanna speak fairytale (tale) wanna be with me like i be with you so deep inside i melt in you

Chorus 2x

Melting hands echo kisses glistening like lovers

Transcending the flow we're on liquid wings we fly

Are you feeling it are you feeling it

Are you feeling me like i'm feeling you are you feeling it are you feeling it

Are you feeling me like i'm feeling you right here right now
