Kim Sozzi, Just When I Needed You Most

You packed in the morning and I Stared out the window and I Struggled for something to say You left in the rain Without closing the door I didn't stand in your way

But I miss you more than I Missed you before and now Where I'll find comfort, God knows 'Cause you left me Just when I needed you most

(Left me, just when I needed you most)

Now most every morning I Stare out the window and I Think about where you might be I've written you letters That I'd like to send If you would just send one to me

'Cause I need you more than I Needed before and now Where I'll find comfort, God knows 'Cause you left me Just when I needed you most

(Left me, just when I needed you most)

[Instrumental Interlude]

You packed in the morning I Stared out the window and I Struggled for something to say You left in the rain Without closing the door I didn't stand in your way

Now I love you more than I Loved you before and now Where I'll find comfort, God knows 'Cause you left me Just when I needed you most Oh, yeah You left me Just when I needed you most

You left me Just when I needed you most
