

# Kim Sozzi, Til I Cry You Out Of Me

God Help Me This Time  
I'm Really Trying to Try  
I just feel like I'm Waiting For Nothing  
I Float on a line  
My Heart's been pounding all day  
Like I've been running away  
I know this evening, you'll be sleeping  
Where I wanna be  
Maybe I'll Just Run Away  
Maybe I'll Just Run Away  
Maybe I'll Just Run Away  
Til I Cry You Out of Me  
Til I Cry You Out of Me  
We could meet in my mind  
Leave this all behind  
I just wanna taste you, face you  
Reflect in your eyes  
Maybe I'll Just Run Away  
Maybe I'll Just Run Away  
Maybe I'll Just Run Away  
Til I Cry You Out of Me  
Til I Cry You Out of Me  
I start to shake and my breathing  
Has no meaning  
And I'm living  
Livin a lie  
No I don't understand  
I'm half alive  
God Help Me This Time  
I'm Really Trying to Try  
Maybe I'll Just Run Away  
Til I Cry You Out of Me  
Til I Cry You Out of Me  
Til I Cry You Out of Me  
Til I Cry You Out of Me
