

# Kim Sozzi, Two Shades Of Blue

Have you waited, waited  
I've been watching you  
Have you never, never  
Been made a fool

Have you cried, yeah been bit  
You got no pride, I've got nothing on you  
Would you try, if I tried

We're two, yea we're two shades of blue  
One shade of me, another of you  
We're two shades of blue  
you could be me and I two shades of blue  
Two shades of blue

Have you needed, bled  
Knees black and blue  
Have you nothing, nothing  
We've got nothing to lose

Have you cried, yea I have too  
Never change, I've got nothing to prove  
To you mind  
If I just look at you

We're two  
Just two shades of blue  
One shade of me  
Another of you  
We're two shades of blue  
You could be made of

Two shades of blue  
Two shades of blue

have you lied, yea I have too  
I'll never change, I've got nothing to prove  
to you mind,  
If I lay down this groove

We're two, yea we're two shades of blue  
One shade of me, another of you  
We're two shades of blue  
you could be me and I  
two shades of blue

One shade of me, another of you  
We're two shades of blue  
you could be me and I  
Could be too  
Two shades of blue  
Two shades of blue
