Kim Wilde, Because The Night

Take me now, baby, here as I am Put me close, try and understand Desire is hunger is the fire I breathe Love is a banquet on which we feed

Come on now, try and understand The way I feel when i'm in your hands Take my hand,come under cover They can't hurt you now, Can't hurt you now, can't hurt you now

Because the night belongs to lovers Because the night belongs to lust Because the night belongs to lovers Because the night belongs to us

Have I doubt, baby, when I'm alone Love is a ring, a telephone Love is an angel, disguised as lust Here in our bed 'til the morning comes

Come on now try and understand The way I feel under your command Take my hand as the sun descends They can't hurt you now, Can't hurt you now, can't hurt you now

Because the night belongs to lovers Because the night belongs to lust Because the night belongs to lovers Because the night belongs to us

With love we sleep
With doubt the vicious circle
Turns and burns
Without you I cannot breathe
Forgive, the yearning burning
I believe it's time to heal to feel
So touch me now, touch me now

Because the night belongs to lovers Because the night belongs to lust Because the night belongs to lovers Because the night belongs to us

Have i doubt when i am alone Love is a ring on the telephone
