

# Kim Wilde, Heaven

Written by Kim & Ricki Wilde

Tonight I'm gonna fly

Like a phoenix rising from the ashes of love

Towards the open sky

Gonna spread my wings and circle above

I've been too long on the ground

My head looking down

I don't want to be there again

You gave me a love so real

Now I can't believe how you're making me feel

You take me to heaven baby

You're taking me higher and higher

You take me to paradise

Don't you know it feels so good

You take me to heaven, Higher, higher

The sweetest liberty is a heart in chains that love sets free

And so you came my way

And I knew I'd found my destiny

The pain and the tears have all disappeared

And now I won't be crying no more

I never felt so sure

Cos I've found what I've been looking for

You take me to hea
