Kim Wilde, Heaven

Written by Kim & Enp; Ricki Wilde Tonight I'm gonna fly Like a phoenix rising from the ashes of love Towards the open sky Gonna spread my wings and circle above I've been too long on the ground My head looking down I don't want to be there again You gave me a love so real Now I can't believe how you're making me feel You take me to heaven baby You're taking me higher and higher You take me to paradise Don' you know it feels so good You take me to heaven, Higher, higher

The sweetest liberty is a heart in chains that love sets free

And so you came my way

And I knew I'd found my destiny

The pain and the tears have all disappeared

And now I won't be crying no more

I never felt so sure

Cos I've found what I've been looking for

You take me to hea
