

# Kim Wilde, Hey Mister Heartache

Written by Kim Wilde & Steve Byrd

Darlin' don't you know I've had enough

Wasting all my time

Darlin' put it on the line

Cos I heard you lying time and time again

Ooh and I don't want to any more

This is where our loving has to end

Darlin' now you know the score

So goodbye Baby

Hey Mr Heartache how much can you fake

How many hearts break before you get enough

Hey Mr Heartache you don't give you just take

I hope for your sake you don't turn your back on love

Darlin' don't know what you're looking for

But I'm not waiting around to see

Darlin' can't take any more

I still love you but I'm gonna set you free

Ooh that's the way it's got to be

Cos I know I can't change you anyway

Darlin' there's nothing left to say

But goodbye baby

Hey Mr Heartache how much can you fake

How many hearts break before you get enough

Hey Mr Heartache you don't give you just take

I hope for your sake you don't turn your back on love

Listen to me, so listen to me

Ooh baby, baby, baby, baby, baby, baby

Cos I was stupid to believe

You could give me what I need

You use anyone you can

Yet you call yourself a man

We'll seen through your disguise

And it's all that I despise

Now you've just run out of time

Go before I change my mind

Hey Mr Heartache, cos I love you baby

Hey Mr Heartache I still love you baby

I still love you but I'm gonna set you free

Ooh that's the way it's got to be

Cos I know I can't change you anyway

Darlin' there's nothing left to say

But goodbye baby

Junior: You don't know what I'm going through

You got me wrong, oh so wrong

Think you've sown me up

But you're so wrong

I want you girl, all the time

Come on now

You don't know what I'm going through, baby
