Kim Wilde, Hey Mr. Heartache

Darlin' don't you know I've had enough Wasting all my time Darlin' put it on the line Cos I heard you lying time and time again Ooh and I don't want to any more This is where our loving has to end Darlin' now you know the score So goodbye Baby

Hey Mr Heartache how much can you fake How many hearts break before you get enough Hey Mr Heartache you don't give you just take I hope for your sake you don't turn your back on love

Darlin' don't know what you're looking for But I'm not waiting around to see Darlin' can't take any more I still love you but I'm gonna set you free Ooh that's the way it's got to be Cos I know I can't change you anyway Darlin' there's nothing left to say But goodbye baby

Hey Mr Heartache how much can you fake How many hearts break before you get enough Hey Mr Heartache you don't give you just take I hope for your sake you don't turn your back on love

Listen to me, so listen to me
Ooh baby, baby, baby, baby, baby, baby
Cos I was stupid to believe
You could give me what I need
You use anyone you can
Yet you call yourself a man
We'll seen through your disguise
And it's all that I despise
Now you've just run out of time
Go before I change my mind

Hey Mr Heartache, cos I love you baby Hey Mr Heartache I still love you baby

I still love you but I'm gonna set you free Ooh that's the way it's got to be Cos I know I can't change you anyway Darlin' there's nothing left to say But goodbye baby

You don't know what I'm going through
You got me wrong, oh so wrong
Think you've sown me up
But you're so wrong
I want you girl, all the time
Come on now
You don't know what I'm going through, baby
