

Kim Wilde, I Won't Change The Way That I Feel

Written by Rick Nowels & Kim Wilde

If I live a thousand years or more
You'll still be the one I'm living for
And every night I whisper a prayer
That every day of my life you will always be there
I can't stop the world from changing
I can't say what time may reveal
But I know from now until forever
I won't change the way that I feel
About you baby...

If I only have one life to live
I will give you all I have to give
So don't believe these are faithless times
Cause as long as I live, you will always be mine
I can't stop the world from changing
I can't say what time may reveal
But I know from now until forever
I won't change the way that I feel
I won't change the way that I feel
I won't change the way I feel
I won't change the way that I feel
I won't change the way that I feel
I won't change the way that I feel
I can't stop the world from changing
I can't say what time may reveal
But I know from now until forever
I won't change the way that I feel
About you baby...

I won't change the way that I feel
I won't change the way that I feel
I won't change the way I feel
About you baby
I won't change the way that I feel
I won't change the way that I feel
I won't change the way that I feel
