Kim Wilde, The Second Time

Go go

Don't wanna know about vacations in this cheap motel Don't wanna know about your sea green curtains Cos all I want 'n' all I need is just some time with you Don't complicate it - Just do it once again

Just go for it Just go for the second time Just go for it, just go - just go

Don't wanna hear about the time and how it's gettin' late How can you stop when I could go for hours You need some magic; come on let me lean on you Don't look around - you're not goin' anywhere

Just go for it Just go for the second time Just go for it, just go - just go for it

'cos all I need And all I need 'Cos all I want 'n' all I need

I'm never letting go - baby don't expect me to How can you stop when my whole world's exploding (go) Look in the mirrors - and see the heat of something new Why don't we do it - just do it once again

Just go for it Just go for the second time Just go for it, just go - just go for it

Don't be so nervous Don't get so hot Don't start to fumble it up 'Cos all I want 'n' all I need

There's such an urgency in everything I need from you Stop giving up - you know you can't refuse me (go) I've every reason to believe there's still a man in you You done it once so come on go again

Just go for it Just go for the second time Just go for it, just go Just go for it, just go...
