

Kim Wilde, Water On Glass

Written by Ricky & Marty Wilde

Cascading down

There's a sound vaporising into vision

It's a sound in my head

That I feel and it shuts me in a prison

Say it won't last

Say it will pass

Always the sound in my brain

Can you hear it

Water on glass running down again

Water on glass that sound

Water on glass running round again

Help me, the sound of running water's

Coming down

Dancing away

Like the lights on a moving coloured river

Sounds in my head seem to run

And again I feel a shiver

Say it won't last

Pray it will pass

Always that sound in my brain

Can you hear it (Can you hear it)

Water on glass running down again

Water on glass that sound

Water on glass running round again

Help me, the sound of running water's

Coming down

Water on glass running down again

Water on glass that sound

Water on glass running round again

Help me, the sound of running water's

Coming down
