

Kim Wilde, We're The Kids In America

Looking out a dirty old window
Down below the cars and the city go rushing by
I sit here alone and i wonder Whyyyyy
Friday night and everone's moving
I can feel the heat but it's soothing heading down
I search for the beat in this dirty towwwwn
Down town the young ones are going,
Down town the young ones are growing
We're the kids in America Woow
We're the kids in America Woow
Everybody lives for the music goes around
Bright lights the music gets faster
Look boy don't check at your watch,
Not another glance
I'm noot leaving now Hunny
Not a chaaance
Hot shot don't give me no problems
Much later you'll be saying "never mind"
You know life this crewl life is never kind
Kind hearts don't make up a story
Kind hearts don't grap any glory
We're the kids in America Woow
We're the kids in America Woow
Everybody lives for the music goes around
La, la, la ect.
Come closer hunny, that's better
Got to get a brand new experience
Feeling greaaat
Oh don't try to stop baby hold me tiiight
Outside a new day is drawing
Outside Suberiad's srawling everywere
I don't want you to gooo baby
NewYork to the side of California
There's a new wave coming i warned ya
We're the kids in America Woow
We're the kids in America Woow
everybody lives for the music goes around
La, la, la ect.
We're the kids
We're the kids
We're the kids in America
(until fade out)
