

# Kim Wilde, You'll Be The One Who'll Lose

Written by Ricky, Kim & Marty Wilde

Guess I took it for granted  
That you'd feel the same as me  
Had enough of romances ending unromantically  
You don't take any chances  
But you gamble aimlessly  
Always running in circles  
Keeping phoney company  
You call'em up when you get in town  
'cos it's time to play the game  
Hangin' out at the place to be  
Where the people know your name  
And I'm tryin' to say  
It doesn't matter at all  
It doesn't matter what you do  
I'm gonna leave you anyway  
But I want you to know  
You'll be the one who'll lose  
It was foolish to kid myself  
That love's a guarantee  
It's an illusion that's often sold  
But never comes for free  
Can you see what you're losing  
Oh, can you even really see  
Seems you're so busy moving, honey  
You never even noticed you lost me  
And I'm trying to say  
It doesn't matter at all  
It doesn't matter how you feel  
I'm gonna say it anyway  
Cos I want you to know  
You'll be the one who'll lose
