

# Kimberley Locke, Fall

Oh look there you go again  
Putting on that smile again  
Even though I know you've had a bad day  
Doing this and doing that  
Always putting yourself last  
A whole lot of give and not enough take  
But you can only be strong, so long before you break

So fall  
Go on and fall apart  
Fall into these arms of mine I'll catch you every time you  
Fall, go on and lose it all  
Every doubt, every fear, every worry, every tear, I'm right here.  
Baby fall

Forget about the world tonight  
All that's wrong and all that's right  
Lay your head on my shoulder, let it fade away..yeah  
And if you want to let go baby it's ok

Fall.  
Go on and fall apart  
Fall into these arms of mine I'll catch you every time you  
Fall, go on and lose it all  
Every doubt, every fear, every worry, every tear, I'm right here  
Baby fall

Ooohhh

Hold on..hold on.hold on to me

Fall.  
Go on and fall apart  
Fall into these arms of mine I'll catch you every time you  
Fall, go on lose it all  
Every doubt, every fear, every worry, every tear, I'm right here  
Baby, baby, baby fall.
