

Kimberly Wyatt, Don't wanna fall in love

Ain't no personal thing boy
But you have got to stay away
Far far away from my heart my heart
Don't you know what your kisses doin'
Let me tell it to ya from the start boy
I don't wanna fall in love no no
Enough for just one night
You make the night feel good
I'd fight you till the end
Baby
You've been hanging around boy
And you have started sinking in
Ooh baby your way out of line now
Unaware how this all got started
Let me tell it to you one more time boy
I don't wanna fall in love no no
Enough for just one night
You make the night feel good
I'd fight you till the end
Baby
I learned something about myself
Last night with you I
I didn't want nobody else
You're scaring me to death now baby
I don't wanna fall in love no no
Enough for just one night
You make the night feel good
I'd fight you till the end
I don't wanna fall in love no no
Enough for just one night
You make the night feel good
I'd fight you till the end
I don't wanna fall in love
Don't wanna fall in love no
I don't wanna fall in love
I don't wanna fall in love
