

# Kimya Dawson, Sleep

sleep little one  
tomorrow's more fun  
we'll dance in the rain  
and we'll sing in the sun

i think you're the best  
but you're being a pest  
you know that i love you  
but i need my rest

if you love me  
you will go pee  
put on your pajamas  
and then go to sleep

please little friend  
get in your bed  
and let the adventures  
be dreams in your head

sleep little one  
tomorrow's more fun  
we'll dance in the rain  
and we'll sing in the sun
