If I told you I don't mind
Would you believe me
When I say to you you're not my kind
Do I deceive you with this fragile disguise
Ask me no questions
And I will tell you no lies.

If she could read my heart
It would break her mind
So I pretend all these tears on my face don't imply
That I'm not happy just to see you with her
One small voice
That will never be heard.

I'm in love with you
Oh, I'm in love with you
But I turn away when you look in my eyes
Ask me no questions, I'll tell you no lies
I'm in love with you.

I'm in love with you
Oh, I'm in love with you
Trying to smile with a hole in my heart
No one knows
I'm falling apart.

I'm in love with you
Oh (oh) I'm in love with you
But I turn away when you look in my eyes
Ask me no questions, I'll tell you no lies
I'm in love with you.
