

King Adora, Big Isn't Beautiful

I want your heart-shaped lips,lips,
Cooler hula hips,
I want to feel my bones on your bones,yeah,
I wear my heartache at my sleeve,
I love myself too much to see,
It haunts my dreams,
It haunts my every dream,

Every boy wants a body to die for and,
Every girl who's thin is his rival,
I wish I had a body to die for,
Skinny is sexy,
Big isn't beautiful..

I'm gonna shed me some skin,
Get me real,real slim,
I want to feel my bones on your bones,baby,
I am a teenage drama queen,
I throw my guts up for self-esteem,
It haunts my dreams,
It haunts my every dream,

Every boy wants a body to die for,
And every girl who's thin is his rival,
I wish I had a body to die for,
Skinny is sexy,
Big isn't beautiful,

Ohh,ohh,ohh,

Every boy wants a body to die for and,
Every girl who's thin is his rival,
I wish I had a a body to die for,
Skinny is sexy,
Sweet anorexia,
Skinny is sexy,
Big isn't beautiful....
