

King Adora, Born To Lose

Rotting away

I haven't eaten since the start of the day

I know that I love me and I know that you love me

But vomiting is better than sex

I believe in low esteem and I'm bulimic beauty

I don't need your sympathy, I believe in choices

We are the real

I couldn't tell you how I'm going to feel

I know that you love me and I know that I love me

But vomiting is better than sex

I believe in low esteem and I'm bulimic beauty

I don't need your sympathy

Honey, it's a right to choose

Honey, we were born to lose
